Dear Mr. Arnold Schwarzenegger,

08/08/2008

On behalf of the organizing committee we are pleased to invite you to the strength sports festival "Golden Tiger" in Ekaterinburg, Russia on 2-5 of October 2008. We are working to make the festival a great event and to become a well-known tournament in Russia, by following the example of your "The Arnold Sports Festival". At the festival we will have competitions in powerlifting, armwrestling, martial arts, strongest men, bodybuilding and bodyfitness contests, and also body-art and the beauty contest "Miss Golden Tiger". To accomplish our goal, we have invited high level competitors from Russia and elite sportsmen from other countries, including "The Arnold Sports Festival" participants and world champions. The opening ceremony will be held in Ekaterinburg (Russia), ul. Studencheskaya 3, Cultural Center "Ural", and it will start on October 2 at 6 pm local time (5 am California time).

Your sports biography, movies and your achievements in politics, motivated many people to go to the gym. Needless to say, you are a cult figure for many people in strength sports, and your visit would mean a lot for the strength community in Russia. Since 1980's the Russians have made huge progress in bodybuilding, powerlifting and other strength sports.

Your visit would go a long way toward making the tournament contribute to world's strength sports the way "The Arnold Sports Festival" contributes. We like the concept of your "The Arnold Sports Festival" a lot, and are doing our best to organize a Russian tournament with the same ideals of supporting and promoting strength sports. We understand that your busy schedule is filled with many important responsibilities. However, your visit would be a crucial help in establishing Strength Sports in Russia as one of the premiere sports for the country. We believe the Festival will contribute to further development of strength sports in the world.

We would be honored if you accept the position of the Honorary President of the Festival. We will provide our help in getting Russian visas for the trip for you and your family, we will also provide you and your family with plane tickets, hotel and meals.

Please feel free to contact us in case if you would like any additional information.
